# Property Description

## UNDER OFFER!

Coveted Strawberry Hill condo all on one level. Minutes from town, Strawberry Hill is a popular complex and units for sale do not come up very often. This property is spacious and feels like a proper home with open plan kitchen, formal dining room, and living room. It even has a separate laundry room, powder room, and plenty of storage. Enter into the lovely courtyard where you can garden to your heart's content, or leave it to the gardeners. Off the kitchen and main bedroom with ensuite bath is the back patio, a great place to unwind after work and grill your dinner. There are two additional bedrooms, one with an ensuite bath that the third bedroom shares. Feel like a swim or some tennis? The lovely pool is nearby as is the complex tennis court. Strawberry Hill is minutes away from Hamilton, but feels like an oasis away from the hustle and bustle. The best of both worlds. Pets allowed.
